

Proof of Vaccination Policy

Nova Scotia's Proof of Full Vaccination Policy starts 4 October 2021. At this time proof of full vaccination against Covid-19 will apply to attendance at all in-person classes, lessons, recitals, rehearsals, activities and events both indoors and outdoors. A negative test result may not be used as an alternative to vaccination.

Children and Youth

This policy also does not apply to children 11 years of age and younger who are not yet eligible for the vaccine. It **does** apply to parents/caregivers in parent and tot classes.

Children who turn 12 between 1 January and 4 October 2021 have until 31 December 2021 to attend events and activities while they get vaccinated. Children who turn 12 after 4 October 2021 have 3 months from their birthday to get vaccinated. If you're 13 to 18 and have proof of vaccination that you received 1 dose of COVID-19 vaccine by September 28, you can participate. To continue participating, you must provide proof of full vaccination by 9 November 2021 (you need to get a second dose no later than 26 October).
